

Royal Travel: One platform - two countries

Todor Andreev

Managing Director of Royal Travel
and Project Coordinator

Our objectives

- Increase the tourist flow between Bulgaria and Serbia.
- Offer entire experiences to our customers - activities, accommodation, restaurants, and more.
- Allow people to find everything they need in their own language.

The Platform

- One single source of information - no need to go to another page.
- Hotels, sightseeing, restaurants, activities - all a few clicks away.
- Special emphasis on national holidays, concerts and other cultural activities.
